NEXT MEETING (One week early) NOVEMBER 15, 2018 AT BROOKDALE SENIOR LIVING

LUNCHEON MENU

Roast Beef with Mashed Potatoes and Veggie or Chicken Caesar Salad. Soup will be French Onion and
Dessert will be Pumpkin Mousse.

BIG SIR-DENNIS SCOVILL-635-5847

First, a thank you to Dan and Pam Franke, and to the other members who helped make the October Ladies Day a big success. Dan was probably also the biggest contributor of woodworking items that raised a substantial amount of money for the Branch. And thank you to those who purchased those items, even though you probably felt like winners for getting such good bargains. For those of you who bought things, please remember who made them and express your own appreciation.

We had a great turnout for the luncheon, and I thought the steak and salmon was excellent. A bargain at twice the price, and having such friendly people serve us makes the food taste even better. I think that is one of the biggest reasons we decided to stay at Brookdale.

Remember that attendance at our luncheons and other activities should always be fun. So plan on having fun with us at our next activity that Hal Snow has organized: the Cal Fire McClellan Airtanker Base Tour on November 7. Bring along another friend or potential member who you think would enjoy this activity. I hope to see a lot of you at this event.

LITTLE SIR-AL RUSSO-(714) 642-0586

Our October meeting was Ladies Day, and it was a great success. The meals of either salmon or steak were excellent, and the items provided by the Woodworkers sold like hotcakes bringing in more than \$700 for the Branch! Thank you to Pam Franke for procuring the flowers that were lovely and to Dan Franke for organizing such a successful event.

Next month our speaker will be Larry Serkanick who will tell us all about Libery Ships.

No Illnesses reported

WOODWORKERS -CHAIRMAN-DAN FRANKE 239-5888

The first thing I need to say this month is a big THANK YOU! A thank you to the woodworkers for the incredible woodcrafts that they built and donated for the Ladies Day sale and a thank you to everyone who supported us and made a purchase. Preliminary numbers for the sale were over \$700 in sales which I believe is a record. This amount more than paid for the extra costs of our Ladies Day luncheon. Overall I believe the Day was a tremendous success.

Our October woodworkers meeting was at “the barn” and saw about ten of us enjoy chocolate chip cookies (by Ann Langley), donuts (by Al Russo) and a bunt cake by Lorraine Olendorf. We then had our usual show-and-tell where Ardell McCombs showed two very nice trays made from a wine barrel and I showed a couple of my latest turnings. Don Langley then showed us a plan that extends the depth of clamps. Several of these modified clamps were then made. We also cut and planed a large redwood slab for a project that Gary Hubert is working on. Several other members worked on personal projects. Overall it was a great day of camaraderie and progress on projects. See everyone next month on Friday, November 16th at “the barn”. Remember this is a week earlier due to Thanksgiving.
